Auction: Marcia Hindle and Ann Benedict

Members: Bonnie Boucher
 Janet Craft
 Janet Hand
 Robin Lyons
 Paula and Ron Montminy
 Andrea Kalil
 Anne Lappin
 Julie Mulloy
 Antonette Pascucci
 Norma Peabody
 Anne White

As a graduate of Governor Dummer Academy in 1946, he went on to Amherst College and received his A.B. in 1950. Four years later, he returned to GDA, this time as a faculty member. I wonder if he ever knew what kind of long journey he was embarking on, for he has been here ever since that September day in 1954.

Since then he has been a very active part of this community. He was the faculty advisor to the *Milestone* for over thirty years. He has coached baseball, taught math, but more recently has taught speech and physics. He was also the Chairman of the Science Department for more than thirty years.

He can be called one of the greatest teachers that has come through the academy. It is amazing how he can take physics, a subject foreign and somewhat impossible to many, and explain it with such patience to every student. He has always been there to give you the time, the help, and most importantly the encouragement you need to succeed. As a wonderful man who has completely devoted himself to Governor Dummer Academy, we take pride in dedicating the 1991 *Milestone* to:

DOUGLAS LEE MILLER

“Our youth we can have but today; we may always find time to grow old.”

Bishop George Berkeley

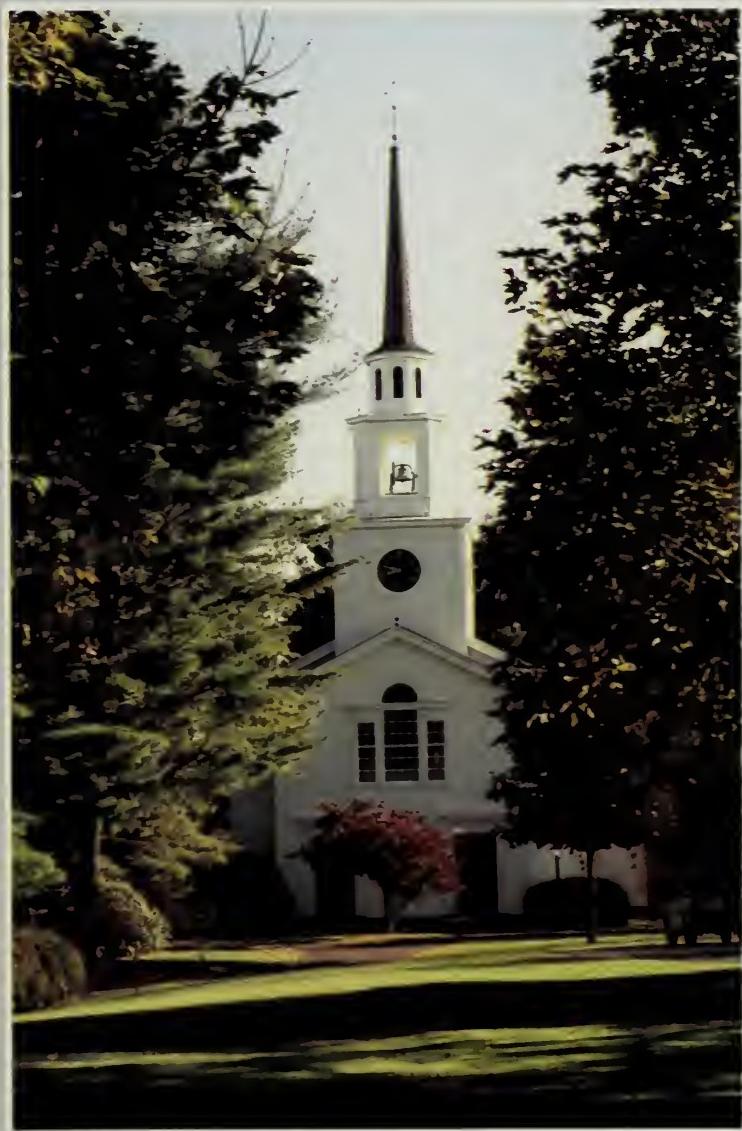

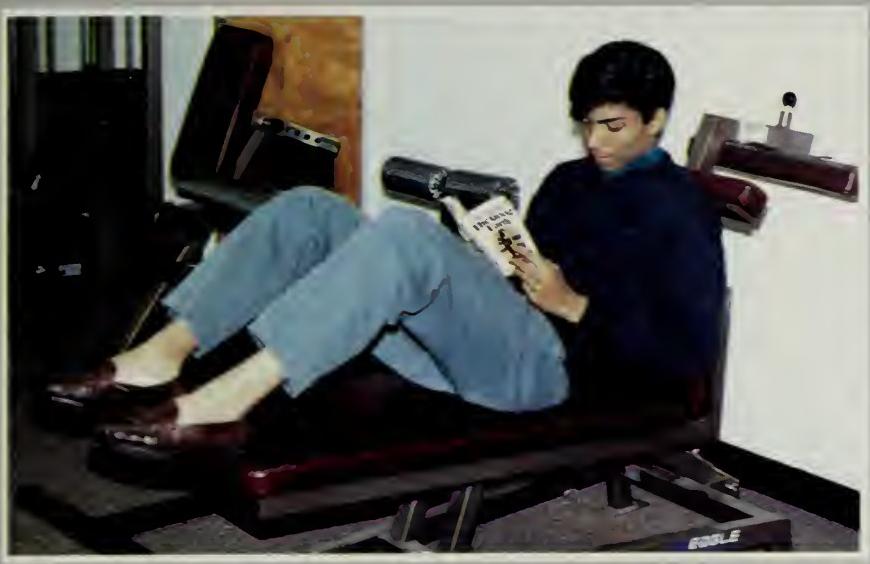

"A pleasant companion reduces the length of the journey."

Publilius Syrus

*"The most I can
do for my
friend is
simply to be his
friend."*

- Henry David Thoreau

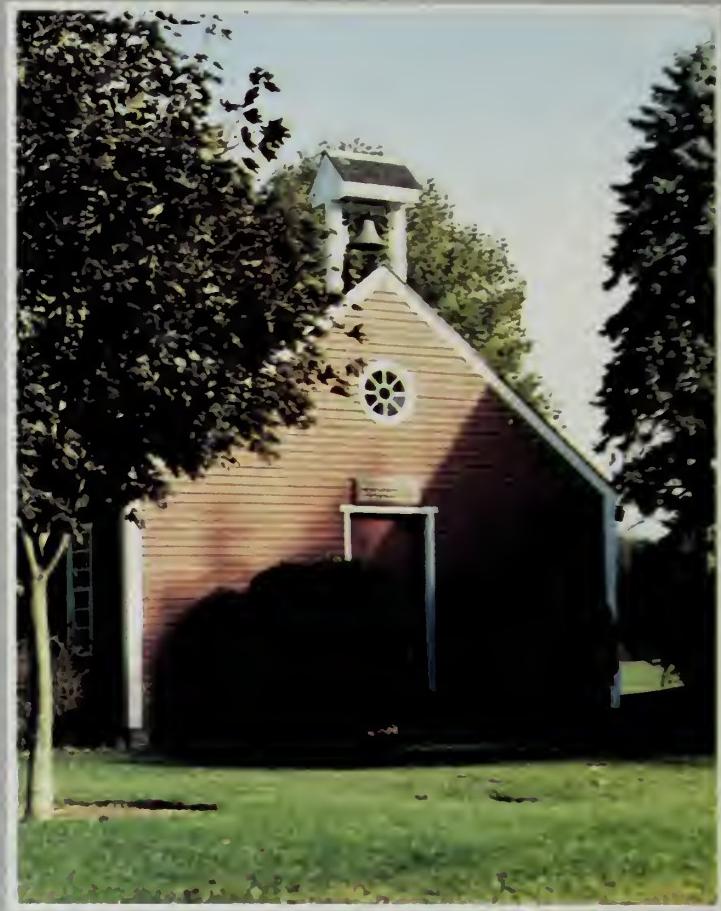

*"A man he seems
of cheerful
yesterdays and
confident
tomorrows.*

- William Wordsworth

Faculty

PETER WILKINSON BRAGDON
Headmaster
Harvard College 1959, B.A.;
Harvard Graduate School of Education
1960, M.A.T.
Appointed July, 1983

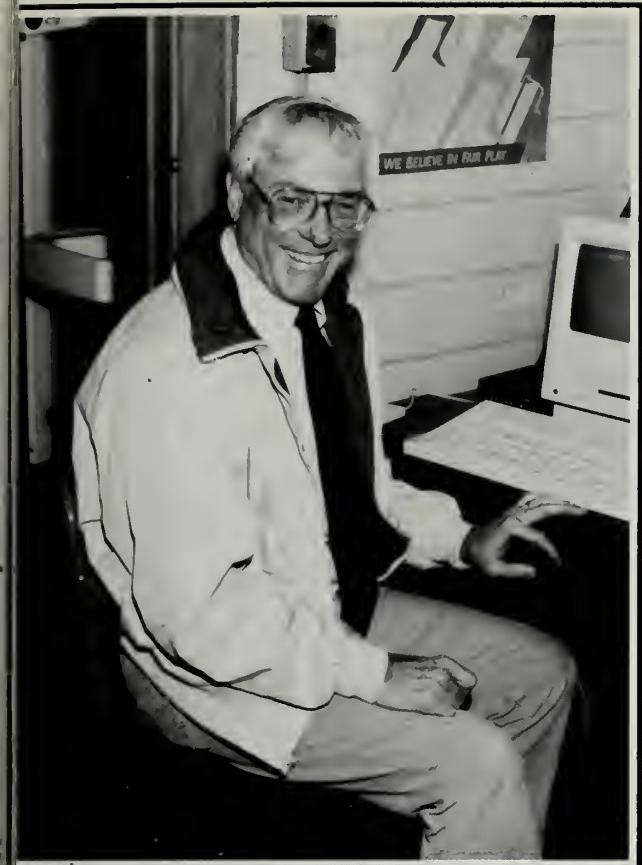

DAVID SWYDAN ABUSAMRA
French, Spanish
Holy Cross College 1969, B.A.;
Middlebury College 1970, M.A.
Appointed September, 1972

LAUREL ELIZABETH ABUSAMRA
French
Hollins College 1969, B.A.;
Middlebury College 1970, M.A.
Appointed September, 1972

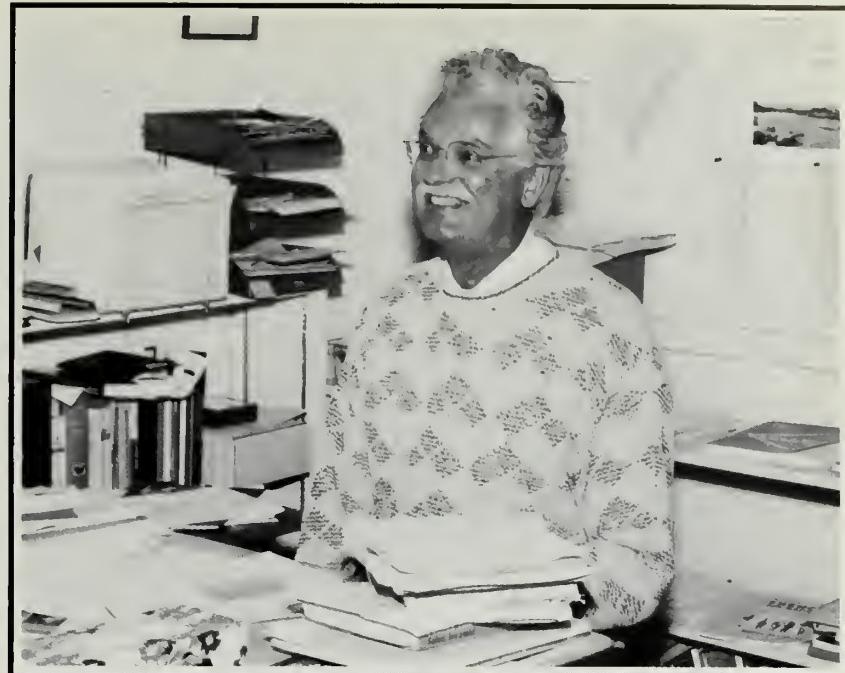

JANET E. ADAMS-WALL
Director of College Counseling
Washington State University 1975, B.A.;
University of Southern Maine 1980, M.S.
Appointed September, 1986

ROBERT EDWARD ANDERSON

Director of Athletics, Biology
Kenyon College 1956, A.B.
Appointed September, 1957

PIERRE NINO BARATELLI

Department Chairman, Languages; French;
Director of Humanities Program
University of Colorado 1956, B.A.;
1959, M.A.; University of Dijon; University of Texas.
Appointed September, 1967

ROBERTA W. BRITTON

Art
University of Colorado 1959, B.A.;
Goddard College 1974, M.S.
Appointed September, 1982

LYNDA FITZGERALD BROMLEY

Dean of Students, Latin
University of Vermont 1969, B.A.
Appointed September, 1983

LEONARD S. CEGLARSKI, JR.
Weekend Coordinator, History
Middlebury College 1977, B.A.
Appointed August, 1990

STUART DAVIS CHASE
Director of Development and Alumni Affairs
Boston University 1964, B.S.
Appointed September, 1980

SUSAN CHILDS
Science
University of New Hampshire 1986, B.S.
Appointed September, 1987

ROBERT HOBART COLGATE
Mathematics
Gettysburg College 1969, B.A.;
University of New Hampshire 1980, M.Ed.
Appointed September, 1980

PATRICIA ANN CROWE
Associate Director of Admissions,
Director of Financial Aid
University of New Hampshire 1983, B.S.
University of New Hampshire 1989, M.Ed.
Appointed September, 1986

FONTAINE DOLLAS-DUBUS
Dance

CATHERINE M. DIEHL
Head Nurse
St. Joseph Infirmary School of Nursing
1983, B.S.N.
Appointed September, 1979

KELLY EATON
Athletic Trainer
University of New Hampshire 1988, B.S.
Appointed September, 1987

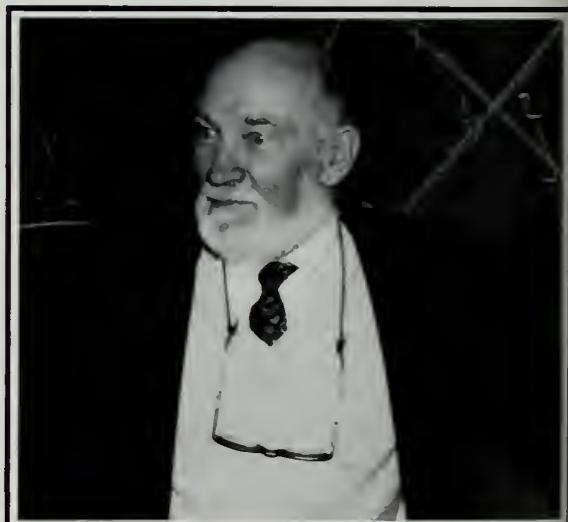

ALBERT T. FINN
English
Dartmouth College 1975, A.B.;
University of London 1974;
University of Michigan 1977, M.A.
Appointed September, 1979

ANTHONY FUSCO
Religion, English
Columbia College 1989, B.A.
Appointed September, 1989

THOMAS GAGNON
Physics
Brown University 1986, Sc.B.
Appointed June, 1990

DAVID R. GOSSE
Bowdoin College 1958, A.B.;
Wesleyan University 1966, M.A.L.A.
University of Michigan 1971
Appointed 1967 and again in 1990

BARRY L. GRAHAM
Assistant Dean of Students
University of Massachusetts 1980, B.S.
Appointed September, 1990

KATHERINE KRALL GUY
French, Spanish
Oberlin College 1971, B.A.;
Tufts University 1978, M.A.
Appointed September, 1977

PATTIE T. HALL
Librarian
St. John's College 1966, B.A.
Appointed September, 1984

CHRISTOPHER EDWARD HARLOW
History
Juniata College 1963, A.B.
Rutgers University 1966, M.A.
Appointed September, 1970

MICHAEL HEEL
Director of Annual Fund and Alumni Affairs
Colby College 1986, B.A.;
Harvard University 1988, M.P.P.
Appointed May, 1990

SALLY C. JARRETT
English
University of New Hampshire 1985, B.A.
Appointed September, 1990

MICHAEL H. KARIN, JR.
Mathematics
Bates College 1985, B.S.
Appointed September, 1985

JEFFREY P. KELLY
Latin
Haverford College 1989, B.A.
Appointed January, 1991

WILLIAM LANE
Photography
Appointed September, 1987

JAMES LARSEN
Biology
Arizona Western College 1975, A.A.;
Northern Arizona University 1977, B.S.
Appointed January, 1988

RICHARD N. LEAVITT
Mathematics
Amherst College 1964, A.B.;
Bowdoin College 1971, M.A.
Appointed September, 1964

BRIAN LENANE
Director of Studies
Franklin and Marshall College 1976, B.A.;
Wharton School of Business 1978, M.B.A.
Appointed September, 1989

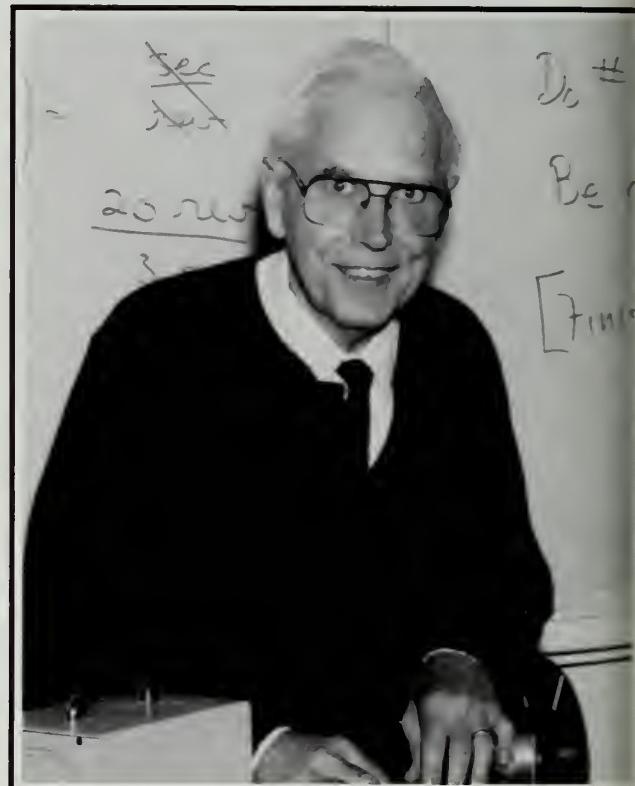

SUSAN LENANE
Mathematics
Franklin and Marshall College 1977, B.A.
Appointed September, 1989

JOHN MACGREGOR
Chemistry
Dartmouth College 1988, B.A.
Appointed September, 1990

STEPHEN CARL METZ
Department Chairman, Science; Chemistry
Trinity College 1972, B.S.;
Boston University 1976, M.A.
Appointed September, 1978

DOUGLAS LEE MILLER '46
Physics
Amherst College 1950, A.B.
Appointed September, 1954

MICHAEL A. MOONVES
Director of Admissions
Trinity College 1966, B.A.
Appointed September, 1969

DAVID D. MOORE
Physics
Northeastern University 1966, A.B.;
Clarkson College 1970, M.S.
Appointed September, 1980

PERRY DUNCAN NELSON
Associate Director of Admissions, History
Williams College 1979, B.A.
Harvard University 1987, M.Ed.
Appointed September, 1987

JOHN NICHOLS
Music, Speech
Ithaca College 1971, B.Mus.Ed.;
Indiana University 1972, M.M.
Appointed September, 1989

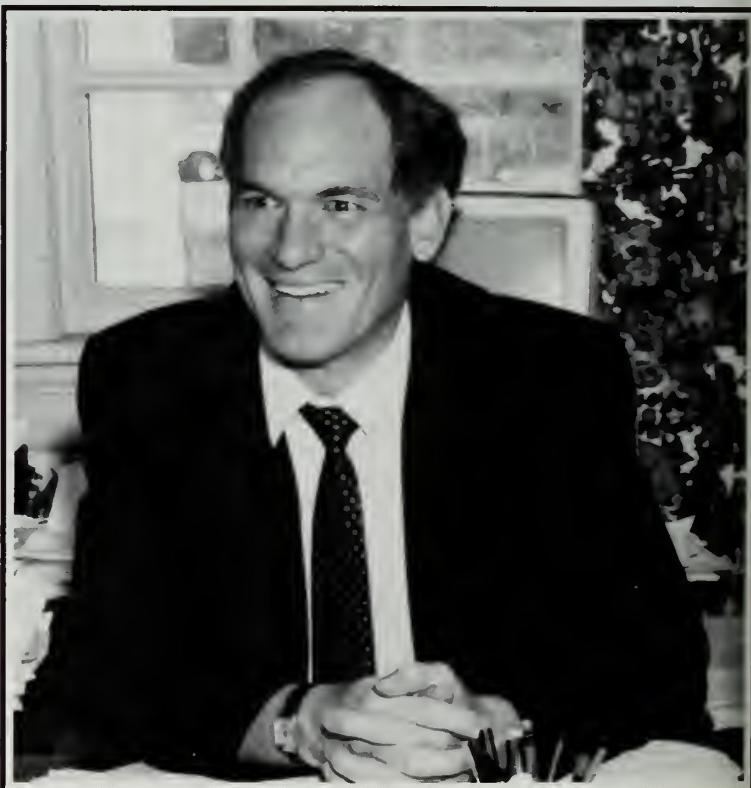

BETH O'CONNOR
Chemistry
University of New Hampshire 1990, B.A.
Appointed September, 1990

IRINA OKULA
Art
Frontbonne College 1966, B.A.;
Southern Illinois University 1971, M.F.A.
Appointed September, 1987

SUSAN R. PERRY
Assistant Director of Athletics
American University 1985, B.S.;
Arizona State University 1988, M.S.
Appointed January, 1990

LAWRENCE THOMAS PIATELLI
Assistant Headmaster, History
Harvard University 1975, B.A.;
Boston University 1976, M.Ed.
Appointed September, 1984

WALLACE HURTTE ROWE, III
Department Chairman, English
Princeton University 1953, B.A.;
Harvard University 1956, M.A.T.;
Trinity College 1965, M.A.
Appointed September, 1979

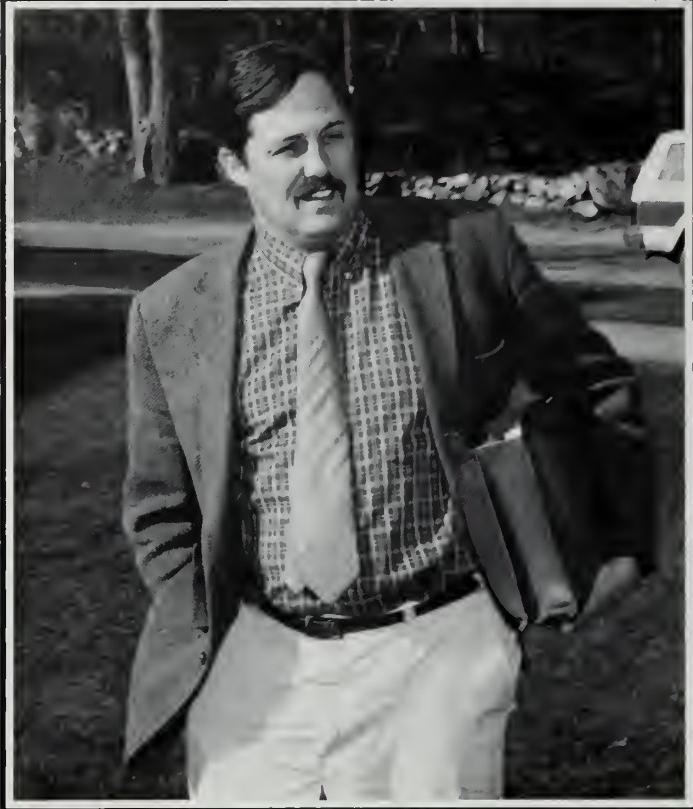

ELIZABETH A. RUHL
Counselor, History
Gordon College 1978, B.A.;
Northeastern University 1979, M.Ed.
Appointed September, 1984

EDWARD J. RYBICKI
English
Salem State College 1971, B.S.;
1980, M.A.T.
Appointed September, 1977

RICHARD SAVAGE
Business Manager
Boston College 1965, B.S.
Appointed March, 1990

RICHARD H. SEARLES
English
Dartmouth College 1974, A.B.;
University of Iowa 1977, M.A.
Appointed September, 1988

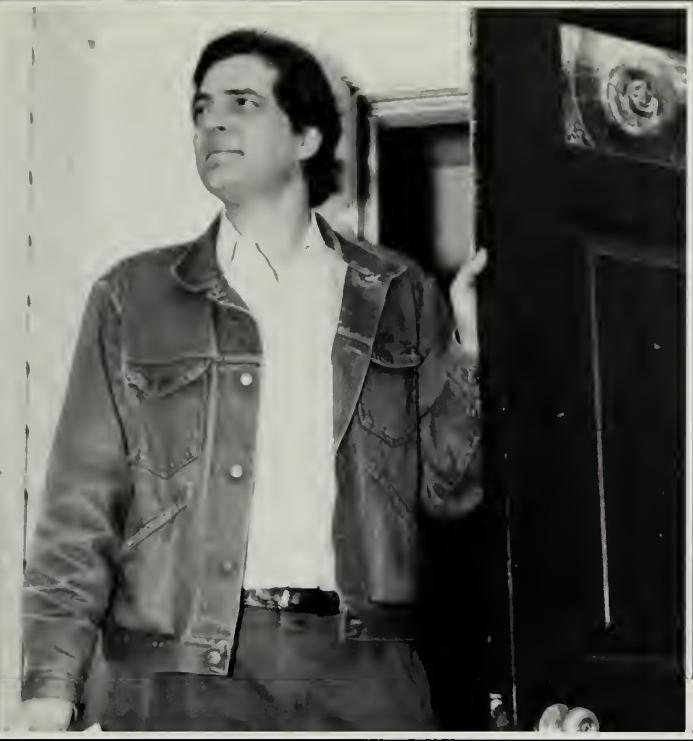

ALFRED JOHN SEUFERT, JR.
German
Boston College 1973, B.A.;
Tufts University 1981, M.A.
Appointed September, 1985

KRISTIN DIANE SNYDER
History
St. Lawrence University 1989, B.A.
Appointed September, 1990

WILLIAM HARTLEY SPERRY
History
Gettysburg College 1950, A.B.;
Duke University 1953, M.A.
Appointed September, 1954

CHRISTOPHER D. STOWENS
Department Chairman, Arts
Colgate University 1972, B.A.;
New England Conservatory of Music 1979, M.A.
Appointed September, 1978

PAUL M. SULLIVAN
Mathematics
University of Notre Dame 1973, B.B.A.;
Northern Arizona University 1981, M.A.
Appointed September, 1989

DAVID J. VAN NESS
Mathematics
Trenton State College 1969, B.A.;
Trenton State College 1970, M.A.
Appointed September, 1989

PAUL H. WANN
English
University of Minnesota 1971, B.A.;
Tufts University 1974, M.A.
Appointed September, 1985

ALEXANDER WELD WHITE
Spanish
Trinity College 1967, B.A.;
New York University 1972, M.A.
Appointed September, 1971

ELAINE T. WHITE
English
Bates College 1986, B.A.
Appointed September, 1988

BONNIE JEAN WILBUR
Drama
Hampshire College 1985, B.A.
Appointed September, 1987

DAVID MICHAEL WILLIAMS
Department Chairman, History
Franklin and Marshall College 1950, A.B.;
University of Pennsylvania 1951, M.A.
Appointed September, 1951

Development

David Bergmann Director of Communications
Jane Carroll Development Associate

Friends-too many to list-you know who you are, I'll always remember you. Quote him some lyrics dude. OK. "Take these broken wings and learn to fly, all your life you were only waiting for this moment to arrive." "If the sun refused to shine, I would still be loving you, when mountains crumble to the sea, there will still be you and me." "A million generations removed from expectations of being who you really want to be." "I have become Comfortably Numb." "And they couldn't prevent Jack from being happy." "The leaves are falling all around, time I was on my way. Thanks to you I'm much obliged, for such a pleasant stay. But now its time for me to gom the Au-

tumn lights my way." "What a long strange trip it been." "If I leave here tomorrow, would you still remember me. I must be traveling on now, there's so many places I've got to see. If I stay here with you now, things just couldn't be the same. I'm free as a bird now and this bird you'll never change." I LOVE YOU, thank you for everything, Mom. Dad. Lori. Kris & Amy".

Underclassmen

The junior class began its unification during leadership weekend. Many new additions to the class brought diversity to the classroom as well as to the playing fields. The juniors showed their talents in many different ways: some were academically outstanding, while some played on the championship football team. The fall production of *A Midsummer Night's Dream* had many junior class members in the cast and crew. Junior year brought the first opportunity to experience the community service program. Throughout the year, participants learned by helping others. The community service program has given us the opportunity to learn more about others and the outside world.

A greater unification came as the juniors were members of various teams during the winter and spring. Some played on a losing team, but had the time of their lives. They always knew they had their peers' support at every home game.

The juniors class service project was a Pasta Fest held at the Lasallette Shine in Ipswich. The Pasta Fest benefited the hungry and was the idea of the juniors. This project helped to bring our class together—hopefully there will be many more like it in the future.

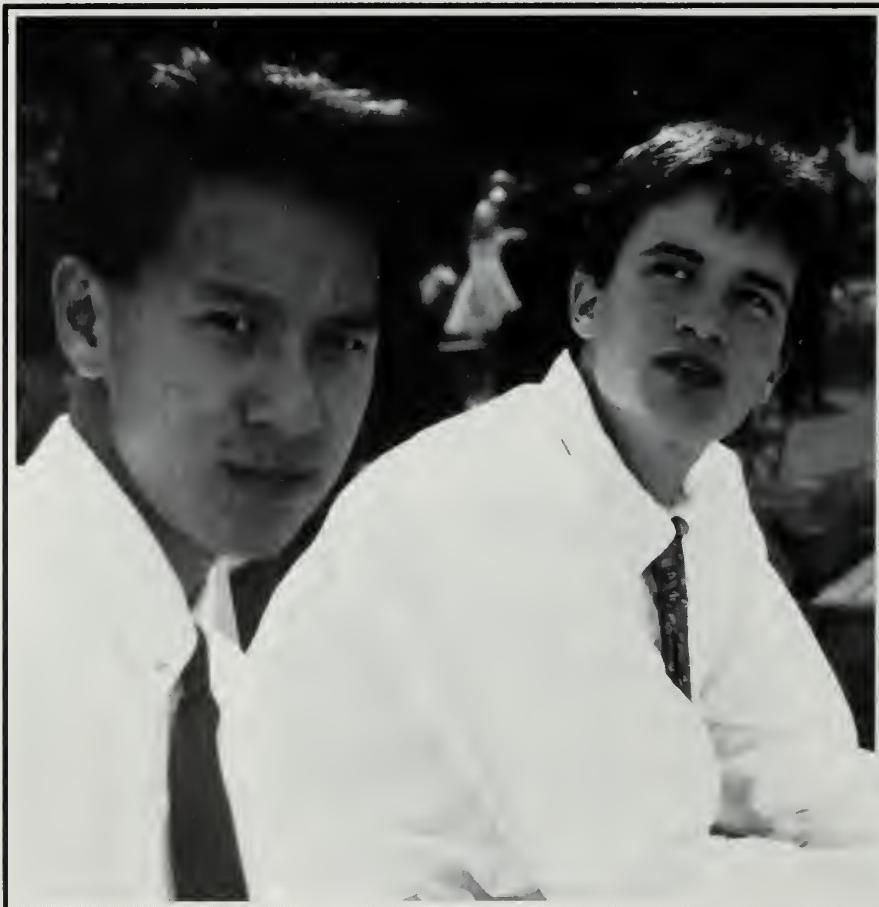

JUNIORS

Would you trust these guys?

SOPHOMORES

Although the word sophomore means foolish and moronic, this year's sophomore class developed into a clan of sophisticated young adults. This talented group is the epitome of diversity, contributing to every activity in the G.D.A. community. The sophomore class of 1991 is destined for greatness.

Sophomores were highly represented on the High Honor and Honor Roll list, thus showing their academic achievement and ambition. The sophomore academic year is very challenging but that didn't deter many of the tenacious sophomore students from reaching their own personal academic goals.

Athletically, sophomores established themselves in every varsity sport offered at the Academy. Those sophomores who didn't make varsity showed poise and grace at the 3rds or JV level, honing their talents that will be greatly appreciated in years to come. Some sophomores were named captains for their junior year which verifies that when it came to sports in '90, '91 sophomores didn't play around.

Artistically sophomores displayed their plethora of talent by acting in the major drama productions "A Mid Summer's Night Dream", "The Point" and "Pilots of the Purple Twilight". Some sophomore performances were signals of maybe a career choice in drama. Another artistic outlet was the music performances like The Big Wind and outstanding solos like Ilse Abusambra or Jill Hindle. One can never forget the graceful moves of the Smith & Company dancers which of course had many sophomores in it.

The sophomore class has an untapped supply of unity which was greatly distributed during Casino Night. Casino Night was the closed weekend where sophomores founded a "city of sin". Black jack tables and other gambling devices were set up on the purpose of making enough fake money to buy a raffle ticket to win three glamorous prizes. The whole event was a complete success and it showed that when this group of talented individuals got together anything is possible.

Amity and Mary enjoy the High Tea

Of course we won!

N

From the beginning of Leadership Weekend when we were told to "mingle", it was apparent to us that our class was not just an ordinary freshman class. We found that our class had its scholars, athletes, actors, musicians, leaders, and, of course, its class clowns. Even though our class has the average characteristics of a freshman class, we had one thing that made us unique: our unity.

Throughout this year we found out that this unity was very important to each and every one of us. Through our laughter and our tears, this unity really shone through.

During the 1990-91 year, sledding down hills on trays, climbing rocks at the beach, and playing flashlight tag were "quite the freshmen thing to do." The upper French building and the Museum of Fine Arts will always be a part of our memories.

On the whole, this year was one of a kind, and the memories will never be forgotten. For the class of '94, there are more good times to come.

Fall Sports

Varsity Women's Soccer

The 1990-91 Varsity Women's Soccer Team suffered a tremendous downfall with the loss of ten seniors and Coach Casazza. The lady cardinals, however, would not be defeated. Under the creative leadership of co-captains Leah Colangelo and Catherine Tuthill, the team gained encouragement and determination. They were also guided by the fine coaching of Ms. Susan Perry and Miss Susie Childs. Together they not only taught the skills of soccer, but the meaning of teamwork. This task is quite difficult to accomplish with a team already accustomed to the rituals of another leader, but the two coaches managed to do this and do it well. As a result, the season was productive and rewarding.

Significant contributions were made by the defensive team of Megan Price, Karen Queen, Nicole Bellaire, Amy Daniels, Rachel Haynes and Nicole LaTour. Each was crucial to the team when the offense failed to bring the ball forward. Some veteran players were so dedicated as to play with bruised bodies and broken bones.

The offense was made up of commanding forwards Tara Ryan, Candice Denby, Leslie McCant, Catherine Tuthill

and Sara Wayne, along with spunkiest freshman, Becky Veiera.

No one can forget the great managing skills of Cassie Wickes. She helped the team keep their heads up and smile with one humorous phrase.

The biggest contributions to the team's offense and defense happened to be from the MVP's. Cathy Burgess was the backbone of the team, always there to pick up the slack when the defense crumbled. She took command of the ball with her skill, and her presence was constantly felt throughout the league, Leah Colangelo, co-MVP and All League Player, was dominating on the field as well. Her ball skills were so incredible that opponents often collapsed when challenged. She also made shots that goal tenders only thought of in their nightmares.

A team is not complete without those players who do not receive the playing time they feel they deserve, but when called upon, Wendy Swartz, Sofia Mahari and Pam Kurtz always pulled through. This talented group of ladies will definitely be a tremendous asset to the team in the future.

Varsity Men's Soccer

After an impressive start, the men's varsity soccer team encountered some adversities and finished with a record of 6-6-3. Led by captain Brian Novelline, the Governors were tied for first place through the early part of the season. Some key members of the team suffered injuries, making the health of the team constantly a factor. However, the team did enjoy its best record in two years, as well as victories over Milton and St. Paul's.

The team was lead by many seniors who will be missed next year. Phil Gatchell received the Navins Cup as the most hard working senior. Brian Novelline was named team MVP and selected first team All-League. Jed Murdoch and Devin Sullivan were selected to the second team All-League and will also be serving as next year's captains.

Varsity Football

For the varsity football team, the 1990 season was a dream come true. We had a solid base of returning starters as well as many talented newcomers. The team worked extremely hard during preseason. Who will forget the 6:00am conditioning practices?

The team played well in each of the first six games. However, the Thayer game proved to be the toughest all year. The field was soaking wet from the pouring rain. Thayer took the ball and scored almost immediately, but the team played strongly and took a close 28-27 victory. ISL MVP Bill Batchelder had his best game despite the conditions, throwing for 356 yards and kicking a 44 yard extra point.

Everyone who participated in the New England Championship game against Berkshire will look back at the game fondly. We played our best game of the year and took the championship 40-20. All of

the students, parents and fans came out onto the field to celebrate a victory that two years ago seemed impossible.

The GDA football program has gone from a winless team to a New England Championship Team. This turn around is directly due to the hard work of our coach Paul Sullivan. He gave our team direction and molded our talent into a winning unit. Sal Soldano was always there for us and did a great job working with the linemen. Our team had a great amount of natural talent, but when we walked out onto the field each Saturday, we were the best prepared team.

The team would like to thank everybody who helped us this year. We would especially like to thank the parents and students who came out every week to cheer us on. Good luck to next year's captains, Randy Hemming and Keith Moody.

Women's Cross Country

Of my four years as a member of the Cross Country Team, this was definitely the best record - wise and the most memorable season. This year we had three returning seniors - Alexis, Dede, and Alex; one junior - Kate; three sophomores - Ilse, Nellie, and Karen; and one freshmen - Kately. This team was the first undefeated women's cross country team in GDA history. It was also the fastest women's team, fielding five girls under 23:45. This was the first season that a team has placed in the top three both in the ISL's and the New England Championship races, placing 3rd out of 10 in the ISL's and 2nd out of 21 in the NE's. It was also the first team to take automatic wins seven times. Over the course of the season, there were fourteen PR's set and of the eleven All League Runners, GDA had three - Alexis, Kate, and Ilse. These same three, with the addition of Dede made the All - New England Team. Alexis was chosen by the league as the Bos-

ton Globe All Scholastic, one of the highest honors a Massachusetts athlete can receive. In addition, she was undefeated and she broke two course records.

Thank you, Mr. Abu and Mr. White for all your encouragement and support that you have given me over the years. Kate, Ilse, Nellie, Karen - Good Luck!

Men's Cross Country

If the 1990 Men's Cross Country Team did nothing else, we had a great time. With a combination of mostly seniors and sophomores, the team always seemed to be in good spirits. Two year veterans Murphy, Dunham and the Big Fella, along with rookie Bence and three year veteran Newby-von-schluby, always came through with strong, consistent performances. Meanwhile, Jimbo continued to defy the odds, improving his time by minutes every race. Kyu Hahn also did an amazing job of grooming the course before every race.

Highlights of the season would have to include the upset over Thayer, and Walshy's top 15 finish in the New Englands. Best of luck to Colgate, Sandogs and Stet-dogs next year, and especially to captains Jimbo and Crafty!

Varsity Field Hockey

Through strong and consistent effort, the 1990 GDA field hockey team had a great season. Though we generally did not win, we were usually defeated by no more than one goal. We not only fought hard, but we had fun doing it. We were a successful team in spirit and in teamwork. Lead by captains Nicole St. Andre and Ruby Van Loan, this year's field hockey team will always be remembered as a family. After all, who could forget our runs through the GDA campus, chanting cheers and performing our fun runs, or our famous windsprints holding hands down the field.

Many strong performances came from MVPs Nicole St. Andre and Ruby Van Loan as they were elected Honorable Mention All-League along with sophomore goalie, Dawn Morrill.

We owe all of our spirit, determination and success to the fine coaching of Sally Jarrett. Her great skill and knowledge of field hockey built our team up for success in the years to come. For a first year coach, she had an impact on our team that we

won't forget. Thanks Mrs. Jarrett!

Field hockey '90 will always be remembered as a lot of running and a lot of laughing. Good luck to next year's team lead by captains Dawn Morrill and Deidre Heersink. FIGHT, SCORE, WIN!!!

Varsity Men's Basketball

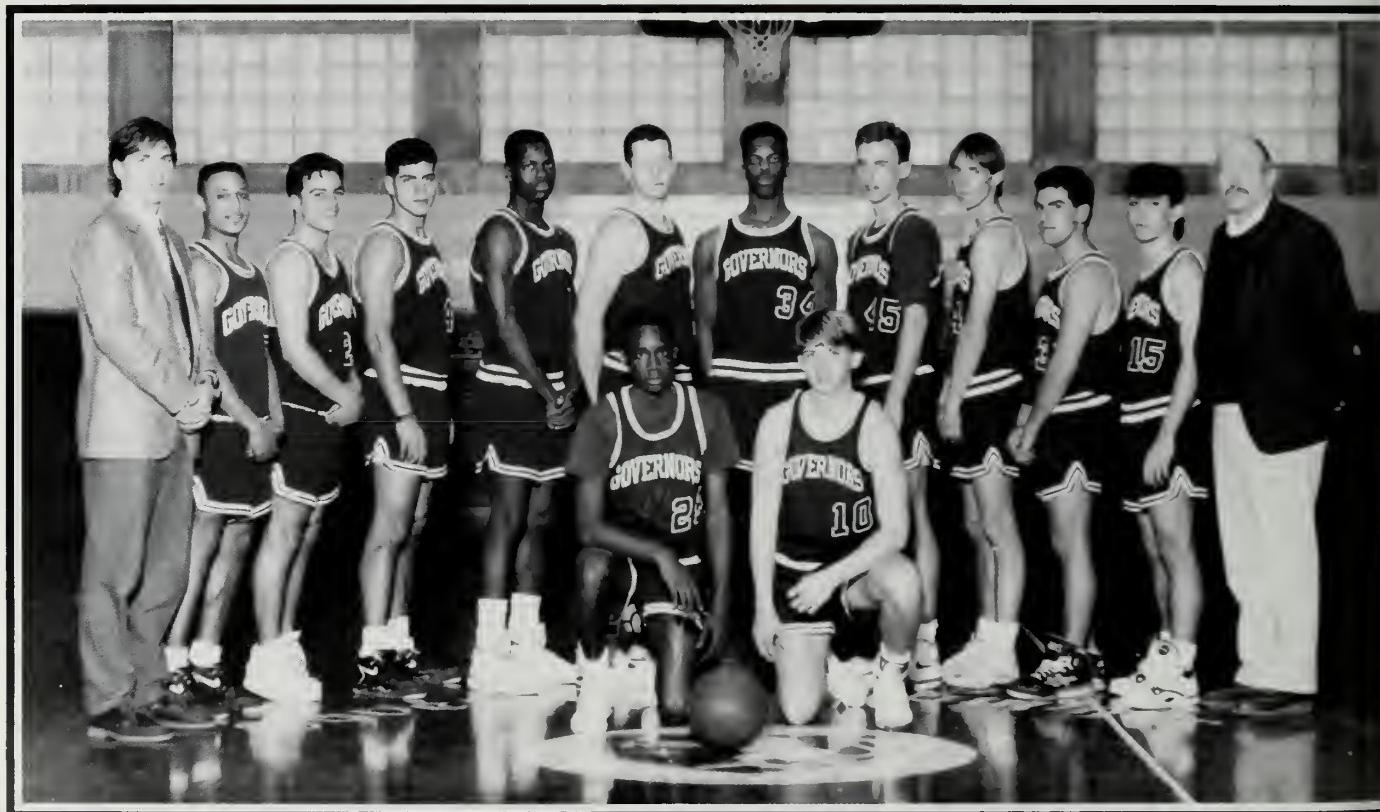

The men's basketball team had a very uncharacteristic year, coming off of a Championship season in which nine out of twelve members were seniors, and only one of the starters was an underclassman. This new season would be a year to rebuild a traditionally dominating Governor Dummer team: a team that either won the ISL Championship or the New England Championship every year since the late 70's; a team that owned a winning streak of 55 games, and a most impressive home court winning streak of 7 years.

Faced with almost all new personnel

we would have to make a streak of our own. At different times, many of us had to give extra leadership in hopes of pulling our team along. A man once told me that "there isn't an 'I' in team," meaning we must all work together. That same man told me that "the attempt sometimes is just as good as the triumph". This man is my coach, Mr. Metz. I feel we need not highlight the season, just recognize that doing your best will always bring about some kind of greatness.

Varsity Women's Basketball

"This is the best season I've ever coached!", said woman's varsity basketball coach, Miss Susie Childs, when asked how the team fared this season. The team ended the season 6-6-5 in the ISL's with big wins over St. Paul's, St. Mark's, and long time rival Brooks School. With many ups and downs, the team managed to end the year on a very positive note by playing well together and exemplifying the leadership and sportsmanship on the court.

Many factors helped the team reach a record high season, and each player was crucial to the success of the group. Co-captains Leah Colangelo and Leslie McCant led the team with enthusiasm, providing a fun atmosphere to practice in and an intense atmosphere to play in.

Seniors Catherine Tuthill and Megan Price were crucial to the offense because both were depended on to carry the ball down the court. Pam Kidd was another important offense player with an outside shot on the edge that went in every time she re-

leased the ball. Guards Becky Baker and Cathy Burgess contributed both offensively and defensively to work their way up to becoming top forces on the team. Sophomore Dawn Morrill was a rebounding machine. She was able to grasp the basketball from anywhere, regardless of the giant she-devils that engulfed her body. She was assisted by junior, Amy Hill who was able to jump, block shots, rebound, and score. She was not only the height of the team, but a powerhouse as well. Foul shooting was left up to Sofia Mahari. She improved dramatically throughout the season, and by the last game, she went 4-4 on the foul line. The spunk of the team was definitely left in the hands of the talented freshman, Becky Vieira. She has the skills, but more importantly she has a lot of potential to become even better.

With this talent it's not surprising that the lady hoopsters did as well as they did! It was the work, the determination, and the great attitudes that made the team well re-

spected. We can easily expect them to continue on strong, if not better, in next year's season.

Varsity Wrestling

This year's wrestling team had the most successful season in quite a while. The team finished the year with a great record of 5-6-1. We started the year with the pre-season holiday tournament, where GDA got three wrestlers to the finals. Senior Dave Corbin and freshman Saiyid Brent took second place, while senior Aaron Dibble was the eventual champion in the 152 lb. weight class.

The next big test was Belmont Hill, which was probably our best effort of the season. After trailing 27-3, GDA rallied back in the upper weight classes to win the meet by twelve points.

Following the highs and lows of the long dual meet, the team went to Milton Academy for the Graves-Kelsey Tournament. Although the team finished at a disappointing eleventh place, there were some great individual efforts. Senior Jason Uttam finished fifth at 130 lbs., senior Phil Gatchell finished fourth at 145 lbs., and seniors Aaron Dibble and Brad Panoff each finished third at 152 lbs. and 189 lbs. respectively.

After the Graves-Kelsey, three team members, Jason Uttam, Brad Panoff and Aaron Dibble, moved on to the New Eng-

land Prep Wrestling Tournament, facing the toughest competition of their lives. Jason and Brad each made it to the third round, while Aaron came within one match of placing.

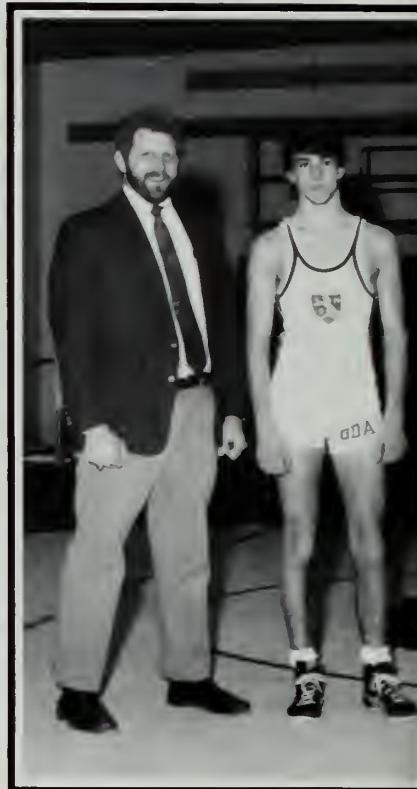

At the season's end, Jason Uttam was awarded the Heb Evans Trophy, and Brad Panoff and Aaron Dibble were given the team MVP award.

Varsity Volleyball

With eight returning varsity players, our goal was a strong finish in the A.I.S.-G.A. Tournament. The beginning of our season was slow, and as a team we were not coming together. After a great victory over Concord, when we took them into a third game, we finally realized what it took to play our best game. After this success we continued a winning streak when we beat Milton, but our greatest challenge was BB&N, last year's champs. Their coach was heard saying, "These Governor Dummer girls always bring out our best game of volleyball!" Unfortunately we lost, but we never gave up the whole season and finished an impressive third in the A.I.S.G.A. Tournament. Our home games became exciting to watch and the crowd added an extra motivation. We were thankful for our supporters. Jen helped a lot.

We had lots of talent on the team, and at the end of the season Sarah Wayne and Amy Daniels were the new players to watch. This year's all-stars were Sarah Wayne and Dede Simons with Amy Daniels as honorable mention. On the whole we had a blast, and were able to come together. If it wasn't Mer's serve then it was Dede's or Regan's spike which got us go-

ing. Our consistent playing also reflected Ms. Cahill's coaching. She pulled our team together which is a necessity in Volleyball.

With all our spirit, enthusiasm, and ability to motivate one another we couldn't help but have a great season and a great time. Next year's team has the players and what it takes to make the season even better! Good Luck!

Varsity Men's Hockey

After coming off of an outstanding season that ended in a New England tournament bid, the men's hockey team experienced a rebuilding year. With only five seniors, this young team battled to a 11-11 record. Led by captains Brian Novelline and Andy Tanton, GDA managed to beat every ISL team except Belmont Hill and Thayer. Plagued by inconsistency, the team ended on a positive note, winning the last four league games, including great victories over Lawrence and St. Sebastian's. Another bright spot during the season was capturing the Christmas Tournament for the second straight year.

With a lot of young talent returning, next year's hockey team should be able to better this year's .500 finish. The team will be lead by captain Chris Ruggerio, who was also this year's Wasson Award recipient. The coaches named senior goal-tenders David Graichen and Brian Novelline as co-MVP's for being the great back-

bone of the GDA squad. Brian was also elected to the All-League Team.

Varsity Women's Hockey

Although the record didn't express the success of our team this season, we made up for the losses with our undying spirit. The team welcomed many new players this season and also welcomed a new coach, Ms. Snyder. With her and the help of Mr. McDonnell, our skills improved with each practice. This was a team filled with enthusiasm and energy. Each member gave it her all. We had a great starting lineup with our goalies, "Amazing" Grace and Isolde. Defensively we dominated each game with Lisa and Betsy, and offensively we had the blue line with Deirdre, Pam and Nicole. The team is young and is only losing four seniors. This was a season of learning experiences, like the game and locker room at Milton. Most of all we learned about each other and graced the ice with class. It was a great year, and we wish next year's team under the leadership of Grace

Dance

The talent and energy of 23 dancers, combined with the creativity and imagination of Fontaine Dollas-Dubus produced a special and colorful annual show at the close of the season.

The performance consisted of varied styles of dance, costume, and music, all wonderfully arranged and received well by the audience. Choreography was the work of Fontaine, Erin Grogan (Smith & Company), Jill Hindle and Cara Marcus, and the joined efforts of Ardy Louis, Melanie Robinson, Charisse Charley, Nikki Holmes, and Sophia Mahari.

Each number possessed a different

theme and set a different tone, and the viewers received an emotional cultural experience. Styles included street, tap, modern, ballet, and African.

Senior Karen Queen and sophomore Jill Hindle will be missed next year. The strength and dedication of Erin Grogan, evident throughout this year's entire performance, will continue to add to the show's quality. Ten dancers were new to Governor Dummer Academy and their talent also embellished the production.

Cross Country Skiing

Usually when one thinks of New England in winter, they think of snow. Unfortunately, when one thought of New England this winter, snow did not come to mind. Despite the lack of snow this season, the 1990-1991 ski team did face many challenges.

Under the direction of Coach Larsen and White, the Mens and Womens team alike had fun while staying in shape. One meet of the year, held at Lawrence Academy, not only exemplifies the positive attitude and dedication of many of the members, but it also showed some surprise talent.

Next year's hopefuls, as long as we get some snow, include Tim Getto and Jed Murdoch (Men's captains), and Ilse Abusamra, due to her dedicating and inspiring workouts.

How can we forget: Al's Mademoiselle and all it taught us . . . GAME DAY . . . ice ball fights . . . weight room practices . . . ice-skiing at Lawrence Academy . . . Rory and Nellie MVP (Congrats!) . . . O.K. Whatever J.J. . . How do you spell that IIs? . . . Yes, Graeme, we did run . . . and B.C. isn't really on our team, is he?

We would like to thank Mr. Larsen and Mr. White for their patience and time, the athletic department for having faith in us, and all those who believed in us. Next year IT WILL SNOW!

The Morse Flag

The Morse Flag was first awarded 78 years ago at the 150th commencement of this school on June 9, 1913, and it has been awarded each year since that time to the senior whose record in all respects has met with the highest approval of the faculty. According to the trust established by the late Reverend Glenn Tilley Morse, a long-time friend and trustee of the academy, a new flag is provided each year in order that the old flag which has flown over the school during the past year may be given to a member of the graduating class.

During her four years at Governor Dummer Academy, she has made her studies a priority. She has challenged herself by taking the most demanding courses of her school; this year she has been enrolled in AP English, AP Calculus, AP Chemistry, Chinese History, Accelerated Physics and Instrumental Performance. One teacher commented that she "has made an everlasting impression". Another has described "the privilege of being a part of her success". Her academic success and her fine character have earned selection by the Cum Laude Society.

Her journey through Governor Dummer has been the embodiment of the school motto "non sibi sed aliis", "not for self but for others". A member of our Big Brother/Big Sister Organization, she has been a tour guide, a member of Amnesty International, the Academy Singers, and one of the most active and effective leaders of the Social Committee in the history of this organization, always concerned about the success of each event and the happiness of the students.

She has achieved so much without ever bringing any attention to herself. An example of her constant self-effacement would be her major achievements in athletics. She has been an All-League goaltender on very successful soccer teams. This year she became a varsity basketball player on athletic ability, determination and no previous experience. For the last two years she has been the only female member of our varsity golf team. While excelling in her studies, serving the community, and making her mark in sports, on her own off-campus she has maintained a remarkable career in swimming, even being in the top twenty of the nation in the 500-meter freestyle.

No tribute to this year's recipient of the Morse Flag can conclude without a reference to her devoted family; her parents participate in her life and the life of her school; her successful brother preceded her to Governor Dummer and to Boston College.

Catherine Derby Burgess

The Academy Prize

Upon the retirement of Headmaster Ted Eames in 1959, the underclassmen of the academy endowed the already existing Academy Prize so that henceforth at each commencement it could be given "in honor of Edward W. and Eleanor E. Eames so that the qualities they so deeply prized might be prized in turn by future and succeeding classes."

"Au vrai courage rien impossible"- "with true courage nothing is impossible", the motto of the Dummer Family. The recipient of the Academy Prize came to the Governor's Academy with such courage at the core of her being. At Governor Dummer she chose a difficult academic route and succeeded through steadfastness of purpose and an intense curiosity.

During her years in Byfield she chose to lead, as treasurer last year and president this year of the African American Latino Club, a head tour guide, as a member of the Earth Day Committee, and as one of two juniors on the critical Discipline Committee which advises the Headmaster. Here she served with courage and compassion. Her courage and compassion did not simply follow in the formal routes of leadership in our community. Each day she bonded the community in her relationships with people. Her words, her actions, her tears always reached to a better way, to real communication between people. Somehow she found the strength to never appear down. One teacher commented, "I hope this sparkly bright and warm-hearted young lady meets with all the success she deserves."

Recently she commented that athletics provided a target for her. During her Governor Dummer career she played varsity soccer and varsity basketball. During a spectacular career in track, while competing on teams which won League and New England titles, she established three school records.

She located the best of our community. In a recent speech she said the African American Latino Club taught her leadership, perseverance and the academic challenge, while Mr. Williams provided wisdom and Miss Childs the confidence.

She will make her mark on this world, and when she does, Governor Dummer will have been an avenue, but her faith in her mother with her brilliant academic career, example and presence, will have been her beacon.

Leslie LaShawn McCant

The Thorndike Hilton Cup

The Thorndike Hilton Cup was established by the Class of 1919 in memory of their classmate, Thorndike Hilton. It is awarded each year to the ranking scholar in the Senior Class.

The education of each of us is not a competitive enterprise, although much in American culture today seems to teach our young - and their parents - that all things scholastic have meaning understood only in the language of business, government or professional sport. Learning - the mastery of detail; the acquaintance with concepts; the spirit of inquiry; and the critical awareness of self, society and the cosmos - should be cherished as the fulfillment of human development. Through the presentation of this award, the faculty of Governor Dummer honor the intellectual growth and academic achievements of all its students.

Any ranking scholar must embody diligence along with intelligence. But it is in the development of arts and habits - of taste, submission to censure and refutation, discrimination, mental courage and mental soberness - that respect accrues, and all who teach find gratification. Meeting the challenges, making mental efforts under criticism, daring the exploration - this student has begun to engage the world of ideas.

Not as wages of victory in competition but as an emblem for the scholarship to which we hope all students aspire, it is an honor to award, on behalf of the entire faculty, the Thorndike Hilton Cup and Medal to

Kori Winter

Ambrose Speaking Contest Prizes

First Prize

Second Prize

Third Prize

Once when Robert Frost was asked by a student how to write poetry, Frost replied, "You must have something to say!" With his many varied interests in sports, academics and music, as well as his experience as dorm proctor, the winner of the 1991 Ambrose Speaking Contest has something to say, and he articulates it passionately from the heart.

Charles Frederick Rodman

This year's second place winner is an effective and courageous speaker. She came to Byfield from Stratham, New Hampshire, but she is truly a citizen of the world. During the past semester in speech class, she embraced and practiced all of Art Sager's principles of public speaking. She was always prepared, and she always volunteered to go first. A young woman of passion and conscience, this year's second place winner is

Brienne Louise Bourn

When she applied to the Academy in her freshman year, she wrote on her enrollment form that, "Everyone must have a full, happy life with, and this is the most important, LOVE." She has shared her love with us during her four years. As Cum Laude Commendation recipient, as an actress on the GDA stage, and as an articulate speaker, she has helped to give us all full and happy lives.

Bethany Wallace Stewart

Spanish

This fourth year high honors student from the Junior class has set exemplary standards of achievement for her Advanced Placement class. Her enthusiastic dedication to all areas of the study of Spanish is impressive. Never does a day pass when she is not fully prepared and eager to share, in accurate Spanish, what she has studied the night before.

K. Brooke Whiting

The Moody Kent Prizes

The Moody Kent Prizes are given annually to those students throughout the school, graduating senior or underclassmen, for outstanding achievement in the various academic departments. No more than one may be awarded to the same student.

English

When you see this citizen of Boxford, Massachusetts, come forward to receive the Moody Kent English Prize, you may catch his ironic, bemused, even rascally look. But such appearances hide the creative writer, the careful reader, the depths in which his questions and insights have their birth. This year these powers of expression and understanding have borne him a generous harvest.

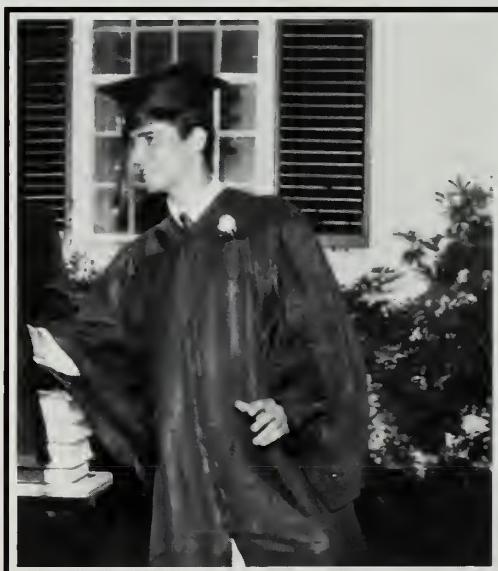

Daniel Richard Dalessio

History

The Moody Kent Prize in History goes to a bright and able young man who possesses a quick, logical, and analytical mind. His record in history is remarkable, particularly when it is remembered that he has successfully and courageously been battling a personal problem.

Nathan Gardiner Britton

Art

This student has immersed herself in the arts. She has taken ceramics, photography, independent and intermediate art and activities. She has shown outstanding creativity in everything she has touched. Her ideas are always thought provoking and at times unsettling.

Dana Ann Ambrosi

Religion

The recipient of this year's Moody Kent Prize in Religion possesses an inquiring and analytical mind; and the nuances and subtleties of his reading never eluded him. Successfully carrying out what was basically an independent study in this descriptive, he read deeply and wrote major papers of great clarity and thoughtfulness.

Charles Joseph Peterman, III

Music

The recipient of this year's Moody Kent Prize in Music is a rare and exceptional student, one who has established new levels of expertise and proficiency. He has the mind of a modern Picasso and the diligence of a New England Yankee. His work ethic defies description; one need only say that the hours flew by in pursuit of riding the cutting edge of modern music. He has done extremely well, quietly, often almost seemingly effortlessly, but his music is very powerful and meaningful, often cutting to the quick in terms of social content and commentary. His can be a dark, dark satire. Some of it is pretty scary stuff. Drummer, guitarist, pianist, saxophonist, electronic and video artist extraordinaire.

Jeffrey Mark Panall

Mathematics

Mathematics is a renowned strength of this student. He has a penchant for detail as well as appreciating "the big picture." His writing of mathematics flows as that of the poet; precise, harmonic and complete but concise. While a benchmark for other students' achievement, this scholar eagerly assists those who ask. It is our fond wish that he realizes a great career in the world of academe; the country needs him.

Eric Matthew Kaiser

Science

Having completed her junior year as the ranking scholar in both chemistry and physics, she continued to do high honors work this year in accelerated biology and advanced chemistry. Her service to the community has extended beyond the Governor Dummer campus, and this spring she brought her considerable talents to the third graders of Newbury Elementary School. To her obvious ability and dedication, she adds sincerity, a bright smile and a good sense of humor.

Kori Winter

German

This fourth year high honors student has achieved a high degree of proficiency in the study of the German language and literature. As a freshman, she distinguished herself as a participant in our German exchange program at Ahrensburg. She has also worked continuously with dedication and self-discipline to improve her linguistic skills, and she has brightened language class with her sense of humor and fair play.

Mia Kate Lindenfelzer

French

This fourth year high honors student has displayed impressive proficiency in the use of the French language. His understanding of the intricacies of French syntax is exemplary, and his good humor and willingness of ever-more-challenging syntactical problems is unflagging. His mature insights into literature and philosophy reveal the depth of his thinking. The Moody Kent Prize in French is awarded to this junior

Barry M. Hugo

Latin

This fifth year student has demonstrated a thorough command of grammatical structures and a superior talent at translating with great insight. His interpretations of the material reflect his deep understanding of the Classical World.

Robert Todd Graff

Special Prizes

The Special Prizes are awarded to those members of the Senior Class whose perseverance, courage, initiative, sense of responsibility, loyalty, and/or concern of others have contributed to the strength of the Academy.

She did so much. She was the captain of varsity field hockey, varsity in ice hockey and lacrosse; Vice-President of her class for two years; a member of Red Key, Greenpeace, the Earth Day Committee, and the Art Club; and a concerned and sensitive dorm proctor for freshman girls-to name some of her activities. She knows the value of hard work and always completes the job whether operating out front or behind the scenes. Responsible, diligent and conscientious, she has been a force here and will be a force in the future.

Ruby Anna VanLoan

A teacher commented, "In class he is lively; he speaks frequently and helpfully, and his differences of opinion with me or with other class members always lead to productive discussions." A scholar whose interests range from AP calculus to Russian Studies, he brings curiosity, natural ability and proven study habits to his academic pursuit, a pursuit which earned him selection to the Cum Laude Society. Few people at Governor Dummer know of the impact he made last summer on young people while completing his community service requirement at the Lawrence Boys' Club. Discipline, poise and success on many fronts are features of his passage through Governor Dummer Academy.

Brian John Novelline

He combines the strength of a scholar with the sensitivity and determination of a young person who has mastered self-control and growth. He has become a moral leader on this campus through his own personal example, through his words in chapel, in print and in conversation. He leaves Governor Dummer Academy with admiration and respect. During his journey through Governor Dummer, he played varsity soccer and lacrosse and was President of the Chapel Committee. A member of the Cum Laude Society, he was a pleasure to teach. One English teacher commented, "Teachers dream of having insightful, conscientious students like him."

Nathan Gardiner Britton

An industrious student, she has filled her Governor Dummer years with many activities. She was captain and MVP of this year's successful volleyball team, and named to the Independent School All-Star and All-League Teams. A North Shore All-League in cross country and a varsity tennis player, she has extended her involvement to the yearbook staff, to Amnesty International, and above all being a mature, warm and energetic dormitory proctor. Her vibrant personality, positive outlook and enthusiasm have constantly raised the spirits of both the old and young around her.

Dorothy Aiken Simons

Enthusiastic, kind and loyal, her effervescence has invigorated her many activities at Governor Dummer Academy, whether involved in any one of her two varsity sports or at center stage in the spring play. She has served on Red Key, represented the school as a Head Tour Guide, a member of the Social Committee, and on the critical and demanding Discipline Committee. She has the confidence to offer her heart to her friends and her community.

Nicole Francoise LaTour

The best there is in a student and in a person. Heading into her fourth commencement at Governor Dummer Academy, she has already received three major awards for scholarship and character. Always a top scholar in her class, she has performed with little fanfare or show of fatigue. Her ambition and diligence have conquered Governor Dummer's toughest academic challenges. She clearly enjoys the learning process and is the epitome of the Cum Laude Society. A captain of two sports, a sensitive member of our Community Service Program, a member of the yearbook staff, she is always a confident, thoughtful individual who enjoys listening and observing.

Alexandria Jane Vincent

The Anne Marie Murphy Athletic Award

To be awarded annually at commencement time to that senior girl who, by her example and her achievement in athletics, has brought greatest honor to her school during the past year.

As a freshman she placed 8th in the NE Championship Cross Country Meet, and in the spring set a new school record in the 800. The word spread-Governor Dummer had another star distance runner. Responsive to pressure twice, she was asked to place at least second in the 3000 in the NE's, in order to secure a first or second place for her team-twice she came through. Her track teams won three championships and took one second in her four years. Personally undefeated in three consecutive seasons last fall, she led her cross country team to its first undefeated season.

In the winter she was a leader on the varsity ice hockey team and on her line initiating plays and scoring.

Winner of seven championship races, an MVP, a Co-MVP, a vaunted two-time Boston Globe All-Scholastic, three-time Gilbert Distance Award winner, ISTA Most Valuable Runner, she recently scored twenty-six of her team's fifty-six points in the New England's and capped off her career by taking second of over 230 runners in her very first road race. This young lady has done it all. Highly energetic, sensitive to her teammates, much respected by opposing teams and coaches, time and again she willingly placed her team's goals first.

Alexis Catherine Colby

The Alumni Association Award

The Alumni Association Award is given to that student who has shown community spirit and concern within the Academy during the senior year, thereby recognizing the recipient for qualities of awareness of others and of humanity which over the years have continued a part of the Governor Dummer tradition.

Mia Kate Lindenfelzer

The Gaffney Prize

The Gaffney Prize, established in memory of Robert A. Gaffney of the Class of 1940, is awarded to that senior who, in the opinion of the faculty, has been the most considerate of the rights, opinions and sensibilities of others.

He is unfailingly considerate to all people. In honoring us he brings honor to his family and to his tradition.

Ashfaque Ahmed Mecca

The Peter Marshall French Memorial Trophy

The French Memorial Trophy has been given by his sister in loving memory of Peter Marshall French. It is inscribed each year with the name of a student at any level whose perseverance, sportsmanship and generous spirit on the playing field, regardless of distinction as an athlete, represent the highest standards of participation. An inscribed scroll accompanies the trophy.

By senior year he became one of Governor Dummer Academy's premier wrestlers; yet, he was embarrassed in the face of accolades. He took as much joy in the ascendancy of football as if he had been a regular and did whatever was asked of him. He gave his heart as a regular defenseman in lacrosse. Whatever he does, wherever he goes, he always walks his own route. His journey exudes compassion, independence and moral courage.

Aaron Avery Dibble

The Goodwin Athletic Prize

The Goodwin Athletic Prize, established by Mr. Fred H. Goodwin of the class of 1916, a trustee of the Academy from 1916 to 1949, is given to that senior boy who, by his athletic achievement and sportsmanship, has brought the greatest honor to his school during the past year.

A three-sport captain, he played sweeper on competitive varsity soccer teams. During the winter he was a star goaltender in hockey, and during the spring he started at first base and was one of the leading batters in the Independent School League. In hockey he was All-ISL for two years and for baseball, one. He has the capacity for the big play, and he handles pressure with grace, fame with humility, and misfortune with courage.

Brian John Novelline

The Cumings Prize

The Cumings Prize was established by the family and friends of the late Fred T. Cumings of Troy, New Hampshire. It is awarded annually to a student who has shown perseverance, hard work, and good spirit in contributing to the welfare of the school.

Curiosity, tenacity and graciousness accompany her many services to the Governor Dummer Academy community.

Kori Winter

The Wilkie Service Award

The Wilkie Service Award in honor of Val leau and Marjorie Wilkie is awarded to a senior whose contributions to the community outside the school have best demonstrated the deep concern, the unfailing sympathy and aid, for which the Wilkie headmastership is affectionately remembered.

Indefatigable, disciplined, confident, calming - this senior has been described by her supervisors as "an essential part of the team . . . an advocate for patients . . . sure to have a celebrated career in medicine." She has worked at the Anna Jaques Hospital in the Medical Records Department, on special projects, and in the Emergency Room where for the past year, she has worked six-hour shifts on Wednesday and Sunday nights. She will receive her 500 Hour Pin at the hospital banquet this summer. She is truly a unique young woman, and we are proud to know her.

Stacy Leigh Gillis

The Mercer Art Prize

In 1982, Kittie and Tom made possible this award as a means of recognizing talent and performance in the field of art. It sets a demanding standard: exceptional creativity and originality by a senior who has completed with honor grades all available studio art and art history courses, and has participated in all relevant activities in search of artistic awareness and proficiency.

He totally immersed himself in the arts. He has taken photography, beginning studio, art activities and ceramics. He excelled in every one but most particularly in ceramics where he was Ms. Okula's most outstanding student ever. He took an idea and explored it to the fullest with in depth research of a problem from every angle. If it did not work, he was willing to start over again with a different tack. He taught himself and us many things. He was a permanent fixture in the art building. He oversaw the building and even had popcorn ready on Saturdays. He maintained order and discipline in the studio. He was an outstanding example to other students. He has been a delight to all three art teachers. He will be missed greatly. His exploring mind will take him far.

Jef Santonelli

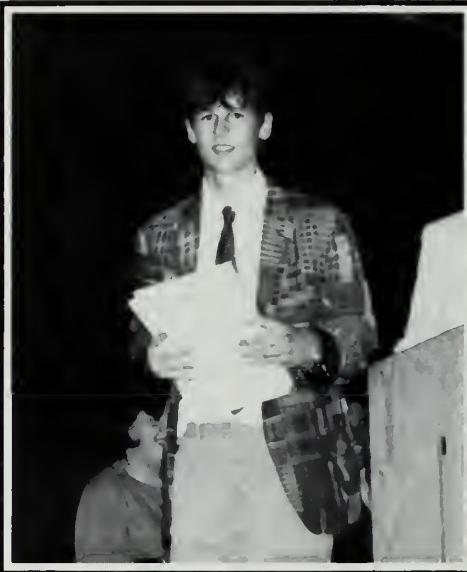

The Barriskill Prize

The James M. Barriskill Prize, established in 1960 by the students in memory of Mr. Barriskill of the faculty, is awarded annually to that member of the senior class who has made an outstanding contribution in the field of music at the Academy.

The Barriskills could never have imagined the depth and scope of today's music. Music which is still based on traditional sources but which now draws heavily from various global cultures and in the age of instant communication is an art form which is more and more based on technology. This year's recipient runs the musical gamut from the traditional, as a sometimes member of the Chamber Ensemble, a mainstay of the jazz band and the Music Guild, to the extreme, as a solo artist extraordinaire. This musician has shattered the boundaries that limit most. He has created masterpieces using the most eclectic of sources, including the voices of Tammy Baker and George Bush. If it makes a sound, he uses it to make music. No sound is safe with him around.

A young genius, the master of computers, synthesizers, sampling and recording, the sonic world trembles as he departs.

Jeffrey Mark Panall

The Thespian Award

The Thespian Award was first made in 1971. It is awarded for meritorious work in the field of dramatics, for inspiring participation, providing leadership, and developing theatrical knowledge and abilities.

This year's winner loves theatre, and her approach is always an enthusiastic, "What can I do to help?" As an actress, her performing is always marked by commitment and authenticity. Her tireless theatre work in Byfield and Newburyport over the last four years is remarkable.

She knows what to do when the spotlight is on her, but she does not seek it. She seeks rather the greater good for whatever production she is involved with at Thompson or at the Theatre of Newburyport. She smilingly and without complaint embodies our school motto through her outstanding work in theatre. For these rare and essential qualities, the 1991 Thespian Award is presented to

Brienne Louise Bourne

Foreign Exchange Student Prizes

She has been an outstanding student always at or near the top of her class. In physics she has earned an A plus each semester. She is also one of the best math students in BC Calculus after beginning the year in AB Calculus. This spring she was a strong member of the varsity tennis team. In a graceful manner she quietly achieves with a diligent work ethic.

Teresa Perez of Spain

She has been an ideal student earning high honors each quarter. Two of her teachers comment that she is the best student they have ever taught. While working on Pre-Calculus, she is spending one evening a week on Calculus. Active in music on the oboe, a willing presence in the dormitory, she is a gem.

Miriam Brandt of Germany

She communicates with her beautiful soprano voice. She communicates with her flute. She communicates with her teachers, particularly in her music courses and her Senior English course with a glowing A- on her midyear. As the year has progressed, she has shed her shyness and begun to communicate with her classmates.

Sabine Schumacher of Germany

Undergraduate Awards

The Brown University Book Award

This award is presented to a junior outstanding in the study of English.

Exacting, meticulous, punctilious, a lover of the right word, the clear phrase, the no-nonsense approach, the recipient of the Brown Book Award has brought to the Academy her impressive intelligence, her willingness to work, her love of good writing, her wit, her warmth, her considerable spunk:

Jennifer Davidson
Noon

The Colman Foreign Language Prize

The Edmund Coffin Colman Foreign Language Prize is awarded to an undergraduate who has shown proficiency in the study of languages.

No stranger to Hispanic culture and language, this third year student has excelled in her study of Spanish here at Governor Dummer. This she has done with a quiet but steadfast presence in class, superior written work, and unfailing accuracy in her participation. Her approach to success in this discipline could serve as a model for all.

Charisse C.
Charley

The Colby College Book Prize

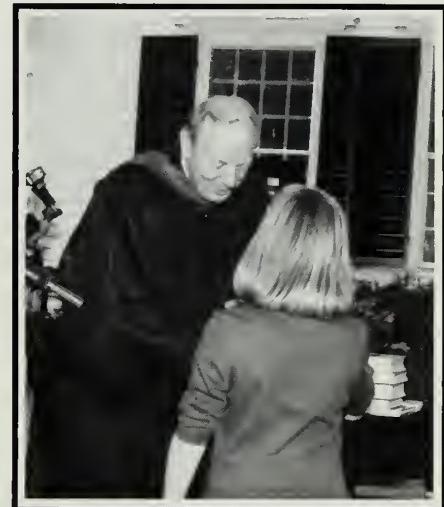

To a junior who has been outstanding in the study of history and has displayed positive personal qualities and community spirit.

The Colby College Book Prize is awarded this year to an outstanding student who consistently emerges as one of the top scholars in her class. Within the Governor Dummer community, hers is a voice of conscience, and the school newspaper is her forum. In the community service program she exercises real leadership while working with the homeless and the handicapped.

K. Brooke Whiting

The Harvard Book Prize

The Harvard Book Prize has been endowed by the late Roger B. Coulter, Class of 1913, first winner of the Morse Flag and a former trustee of the Academy, so that it may be awarded each year in the future. The book is awarded to that member of the Junior Class deemed most worthy through high scholarship and character.

In the classroom, on the stage, on the athletic field, and in conversation, she performs with such adroitness, whimsy and charm.

Sarah Kate Atkins

The Columbia University Book Award

Awarded to that junior who, by his or her unselfish attitude and contributions to the school community, best exemplifies the school's motto "non sibi sed aliis".

Quiet dignity, impeccable preparation and a deep sense of justice penetrate her approach to all she does.

Ana Gricelda Garcia

The Francis Scholarship

The Francis Scholarship was established by Mr. and Mrs. Clarence Francis in June 1941 in memory of their son, Richard Hawkes Francis, of the Class of 1936. It is awarded each year to a student of high character who has made substantial intellectual progress and who has demonstrated a spirit of cooperation and helpfulness in the life of the school.

An engaged and consistent student, she earns the respect of her teachers through her drive.

Erin R. Elwell

The Rensselaer Polytechnic Institute Medal

The Rensselaer Polytechnic Institute Medal is awarded to a member of the Junior Class who has been outstanding in the study of mathematics and science during the year.

Barry Matthew Hugo

The Hale Scholarship

The Hale Scholarship was established by Dr. and Mrs. Clayton H. Hale in memory of their son, Dean Channing Hale of the Class of 1961. It is awarded to that student who, through perseverance, has shown the most improvement in the various aspects of school life and has become an esteemed contributor to the well-being of the Governor Dummer community.

Sincerity penetrates her every effort, in the classroom, on the stage or behind the stage, in sports and in her friendships.

Jacqueline Suzanne Hogan

The Holy Cross Book Prize

Awarded to a junior for distinguished academic performance in a challenging program, and for demonstrating a sense of concern for others and a strong sense of responsibility.

Independent, insightful, sincere, she is a rare and wonderful human being who welcomes responsibility.

Grace Price
Jeanes

The Whittemore Award

The Whittemore Award is presented to a member of the sophomore class who, through attitude and perseverance, has made the best contribution to the Academy. The selection is made by the proctors of sophomore corridors working with Mr. Miller.

Cory Donald
Crain

The Memorial Mathematics Prize

The Memorial Mathematics Prize Book is given by three Governor Dummer Mathematics Department Chairmen in recognition of the passion for mathematics engendered in them by their teachers in the undergraduate and graduate programs at Bowdoin College. The prize is awarded to that member of the Junior Class who, through outstanding achievement and promise in the subject, best exemplifies that very spirit for pursuing the field.

Talent, insightfulness and quickness-of-mind all have a strong presence in this student. According to this year's teacher, "No student can read and comprehend mathematics better." She draws conclusions deftly and perceives the connections between theory and applications readily. It is unusual for a student new to the Academy to make such a telling impression.

Emily Stanwood
Keaney

The Ingham Fund Scholarship

The Ingham Fund Scholarship was established through the generosity of the family of the late Dr. Charles S. Ingham, former Headmaster of Governor Dummer Academy, in honor of his father, the late Samuel Kellogg Ingham of Saybrook, Connecticut, to help an industrious and able student through the school.

She is a diligent student who has burgeoning talent. Her deep sense of service constantly appears on and off the Governor Dummer campus.

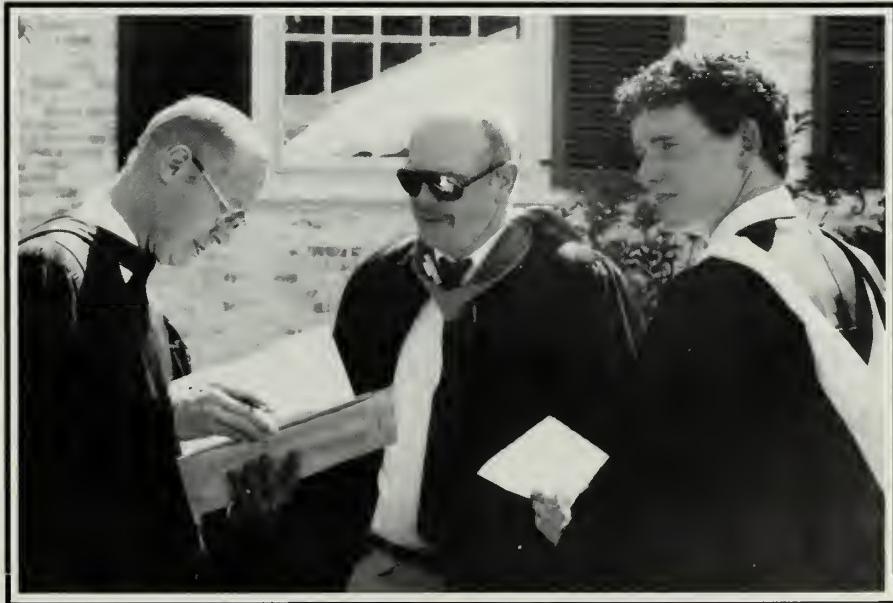

Ardy Louis

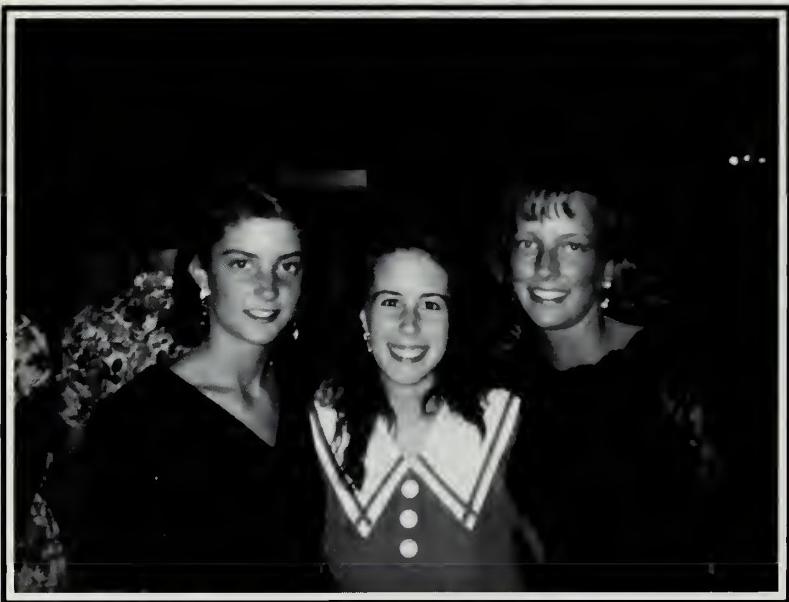

The Bausch & Lomb Medal

The Bausch & Lomb Medal goes to that junior who, in the estimation of the faculty, has been most outstanding in the study of science.

She sends her teachers running to the thesaurus to discover new superlatives. A brilliant scholar, she also brings her remarkable talents to drama, creative writing, community service and cross country running. She has earned an A plus in every science course, and she has done it with grace and humility. Earlier this year she was awarded the Xerox Prize for her achievements in community service and the humanities.

Newburyport, Mass. 01950  
Josiah H. Welch '47  
President

The oldest college preparatory boarding school for boys in the United States, Governor Dummer Academy was founded in 1765 to educate the children of New England's Governor, John Dummer of the Massachusetts Bay Colony. New daily curriculum includes instruction in English, Latin, French, and Spanish, as well as opportunities to win colonial awards in areas of achievement in students' self-designed courses based on scientific, historical, literary, social, and other interests. Underlying this goal is the tradition of the Dummer family: passed down and often repeated to students: 'Any course that interests - With courage, nothing is impossible.'

## We Finally Graduated! Congratulations Class of 1991

Saiuid: "You'll be a freshman again in the fall, Michella."

# Editor's Note

The position of editor was a very frustrating job, because putting together a successful yearbook requires a group effort, not just from the staff, but from the student body as well. When certain people are apathetic and reluctant to cooperate, it makes it almost impossible to create a successful book. On the other hand, those of you who cooperated and did things on time - I can't thank you enough.

Eight hours a week, several days of vacation and a month of summer was not quite the amount of time that I thought I'd have to spend on this book. However, the long, grueling process is rewarded in the end by the satisfaction of the final product: a book that will store our Governor Dummer memories forever. Thanks again to all those who helped with the 1991 Milestone, and good luck to next year's staff!

-Kori
